**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Having a limited choice of providers is terrible for my home, family, and the general consumer. There needs to be competition to prevent what otherwise may be a monopoly or something close to it.

These large corporations are simply too strong and influential for the consumer to have a chance at a reasonable price long term.

I have been waiting for alternative providers to reach my home as the status quo simply does not provide the service i wish, however have little choice in today's connected world.

Thank you for your attention.
